

Occupational Health and Safety Policy

Stainless Designs is committed to support the health, safety, and welfare of all people we employ and to the people affected by our undertakings.

Stainless Designs continuously supports improvements of workplace health and safety by adopting a planned systematic approach to Occupational Health and Safety. This approach includes risk management and consultation.

As part of our overall commitment Stainless Designs is committed to:

- · Complying with all relevant OH&S legislation, regulations, codes of practice, and guidelines;
- Establishing measurable objectives and targets aimed at eliminating work related injury and illnesses;
- Documenting, implementing and communicating OH&S policy to all employees;
- Regularly monitoring and revising our policy in accordance with legislative and organisational changes or as appropriate.
- Provide adequate training, information, instruction and supervision to all employees and visitors to ensure work is carried out safely
- Ensure all accidents, hazards and near misses are recorded and reported and an investigation is carried out to determine possible causes.
- Maintain a safe working environment by reporting hazards or unsafe work practices in a prompt manner to their manager or supervisor.
- Report all workplace injuries, near misses and illnesses caused by work immediately to your manager.
